

CONTRACT CLOSEOUT FORM INSTRUCTIONS

A contract closeout form must be completed for all state contracts established under Title 18, Chapter 4, MCA, and applies to all state agencies, per MOM Contract Management Policy.

This form provides a checklist of the most common items and issues that need to be completed before formally closing a contract and provides an auditable record showing each item/action was completed. Contract managers should work with the State Procurement Bureau (SPB) to complete this form for all contracts issued through SPB and shall submit a completed copy back to SPB if SPB was involved in any part of the contracting process for the contract. For questions, contact the SPB at 444-2575.

CONTRACT NO.:	CONTRACT TITLE:		
CONTRACTOR:	CONTRACT MANAGER:
